Hello there,

I hope you don't mind me getting in touch. I work on a prime time Channel 4 series and we are currently looking for people to take part in the show. I was hoping you could help us to get the word out by passing the information below onto your fellow residents. We are happy to provide hard copies of the information if this would make it any easier. We would really appreciate your help!

Please do not hesitate to contact me should you have any questions

Kind Regards

Shane Stickels
Researcher

TV Series about SAVING MONEY!

Channel 4's **SuperScrimpers** is a prime time series, produced by Remarkable Television. It's packed with clever and fun ways to save money, including secrets and tips from our **SuperScrimping Army**; **SuperScrimper Challenges** (in which families from all over the UK will learn how to make their money go further); **SuperScrimper Masterclasses** (in which people can learn valuable skills to help them save money on everything from beauty to car maintenance) and easy-to-follow financial advice from our presenter, Mrs Moneypenny.

We're looking for a neighbourhood group who would be interested in a visit from our presenter, Mrs Moneypenny, to help them **SAVE MONEY ON THEIR UTILITIES BILLS**. This would be filmed for a short 6-8 minute piece within one of the programmes.

So if you and your neighbours are up for a fun way to save money on your gas and electric bills, please contact us on 0333 577 7773 (all landline calls will be charged at your local rate but mobiles may vary) or email family@endemoluk.com, stating your name, contact details and the area in which you live.

We're also looking for:

- * families who are up for a SuperScrimper Challenge*
- * people with money-saving tips who think they've got what it takes to join our SuperScrimper Army*
- * friends who are up for having a laugh and learning some useful skills in our SuperScrimper Masterclasses*

The SuperScrimpers team looks forward to hearing from you!
